

.... REGISTRATION OPENS

La Costa Youth Organization

Spring 2007

Baseball & Softball

on

October 1, 2006

SIGN UP EARLY!! Late fee is \$25 on December 1, 2006

ONLINE REGISTRATION

No need to wait in line!

Go to www.lcyo.org and register

- \$150 First player per family
- \$130 Each additional player per family

(For families with **only** T-Ball and/or Pee Wee players, \$120 for the first player, and \$100 for each additional child).

First year with LCYO? You **must** fax a copy of your child's birth certificate to us at: 866-729-3071.

We continue to use our paperless, web-based registration system. Please visit our website at: www.lcyo.org, click the "**Online Registration – Players**" link and read the welcome page for instructions.

Due to extreme field shortages and off-the-charts population growth, it is almost certain that several LCYO divisions will fill to capacity this Spring. To maximize your child's opportunity to be placed on an LCYO team, it is important you update your personal information: **parents/guardians, addresses, two email addresses, and phone numbers.** This will allow us to send you timely updates about our programs.

BOYS BASEBALL

- LCYO Pony baseball features age appropriate field sizes and pitching distances.
- LCYO Pony baseball introduces real baseball rules (leadoffs, base stealing, balks, dropped 3rd strikes) earlier in all our players' development. Pony developed players are better prepared for competition in the older age brackets.

GIRLS SOFTBALL

- LCYO softball stresses teamwork, fun, and fundamentals for all Divisions. Younger girls have special rules to maximize playing time and teach essentials.
- LCYO Softball follows ASA rules for older Divisions.
- Girls born prior to 1/1/2002 are eligible to play !!
